

## Running Back To You

Wink's junior high track competitors had great team spirit and had loads of fun this season. The talented team strived at perfecting their events. Hard practice was an important part of their track workout. This practice was quite noticeable at the meets. The girls had a successful season. They placed first with 168 points at the Grandfalls track meet. The girls' team was coached by Ms. Paula Kay Lockhart.

Wink boys placed first at Grandfalls with a total of 251 points and a sweep on the pole vault, high jump, triple jump, 600 run and 110 intermediate hurdles. The boys team was coached by Mr. Danny Thomas. Each coach worked well with the team as they constantly guided, encouraged, and motivated each participant.

The team got rained out at the district meet before it ended.

Eric Warriner leaps in hope of succeeding.

Michelle Ellison stretches her leg to get to the finish line.

## Just A Shot Away

The junior high tennis team consisted of five people. They only participated in one meet at Wink against Kermir, where they all met with success. The district meet was held at Ft. Stockton where Jodi Carlton and J.J. Lopez placed first in singles, and Dianna Ratliff and Casey Carlton placed fourth.
