

Striving To Be The Best!

Seventh grader Shawn Matthews is striving toward the finish line.

This year's junior high students strived to do their best in track and tennis. The boys' track team practiced hard during workouts after school. High point scorers were Jason Berta in pole vault, Calvin Baker in the 200 run and sprint and mile relay, and Joe Renteria in the triple jump and distance races. The boys' team was coached by Gary Mosier.

The girls' track team, coached by Paula Kay Lockhart, also worked hard this year. High point scorers were Marcie Wilkinson in the shot and discus; Amanda Redmon in the 100 run, the triple jump, and distance races; Tina Wilson in the shot, discus, and 1600 relay; and Debbie Thomas in the high jump, 400 run, triple jump, and 1600 relay.

This year's tennis teams were coached by Mike Brown. There were only two meets, one in Monahans, and the other in Wink. In Monahans, Claborn and Matthews won a doubles match. Amanda Horner and Marilyn Briones also won a doubles match at the meet in Monahans.
