

Suzanne Kelton types to finish her warm-up activity before the tardy bell rings.

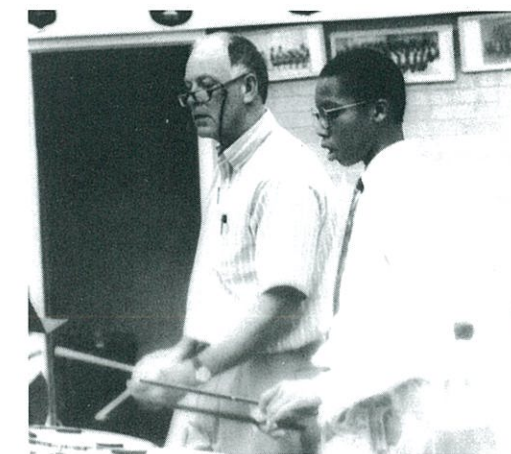

Greg Smith, Marcie Wilkinson, and Amber Loftin show off the medals they received for passing all of the objectives on the TAAS test.

Sonya Ruiz and Casey Carlton work math problems on Mr. Wolf's board.

Brandon Thompson helps make computerized signs in Miss Jacquez's computer class.

Mr. Burns gives Shawn Matthews a few pointers on how to improve his drumming skills.

Moving and Improving

Many of this year's junior high students had busy schedules to fill. They went from participating in sports and UIL events to receiving medals for passing all of their TAAS test on the first try. They learned new skills and improved on the ones they had in typing, music, math and life skills.
