## Active Council Earns 'Outstanding' Award

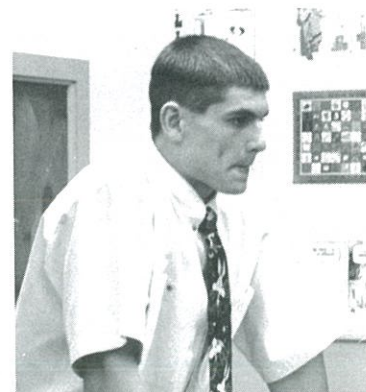

The Wildcat Student Council was named Outstanding Student Council in Region 18 this year. This came as no surprise to the students on campus because of the active role the council took in making the school year a success. The council organized and sponsored many special events this year including a Christmas caroling hay ride, a Valentine's dance, a "prize patrol", that included weekly prizes donated by national companies and organizations, to reward good school attendance and making the honor roll, and *The Grrr-zette*, a weekly newsletter. The Student Council was also elected District 8 Parliamentarian and received awards for Outstanding S.M.I.L.E. and Safety committees. Officers attended a leadership weekend at Prude Ranch in February and traveled to Austin to the state convention in April. Elections for new officers were also held in April.

Members of the sophomore class got into the Christmas spirit at the Student Council-sponsored hay ride.
