

Swinging for Par

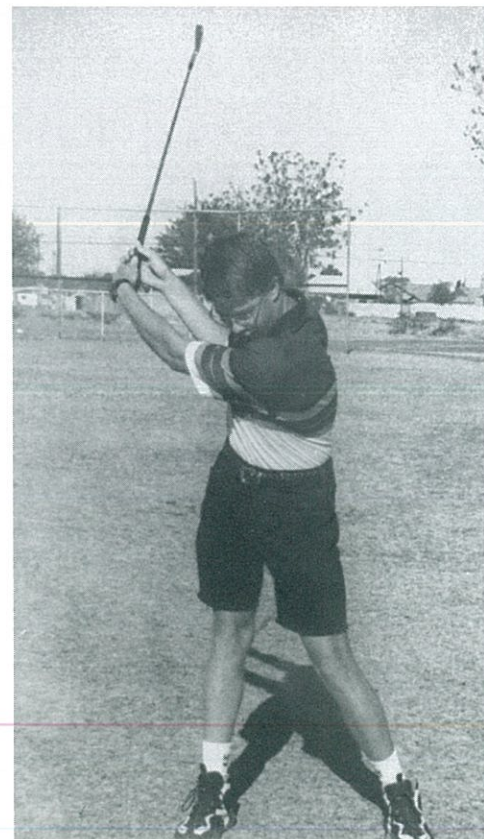

The boys golf teams and two individual girls competed in the tri-round district golf tournament on golf courses at Marfa, Fort Stockton, and Monahans. Overall, the scores reflected a lack of practice time due to other commitments. There was one bright spot however. Jacob Blair finished sixth in the race for medalist and was just four strokes short of winning the third place medal with rounds of 95, 94, and 97. Hopefully with summertime dedication, the team will have low rounds next year.

Members of the 1995 golf teams were: back-Chris Lee, Ben Haring, Jacob Blair, and Pat Gray; front-Misty Lukins, Stephen Treadwell, and Jhenisa Barnett.

Senior Jacob Blair(top) and freshman Pat Gray(right) take some practice swings for the benefit of the yearbook staff.

Jhenisa Barnett braved the windy days to play golf for W.H.S.
