

Never Say Goodbye

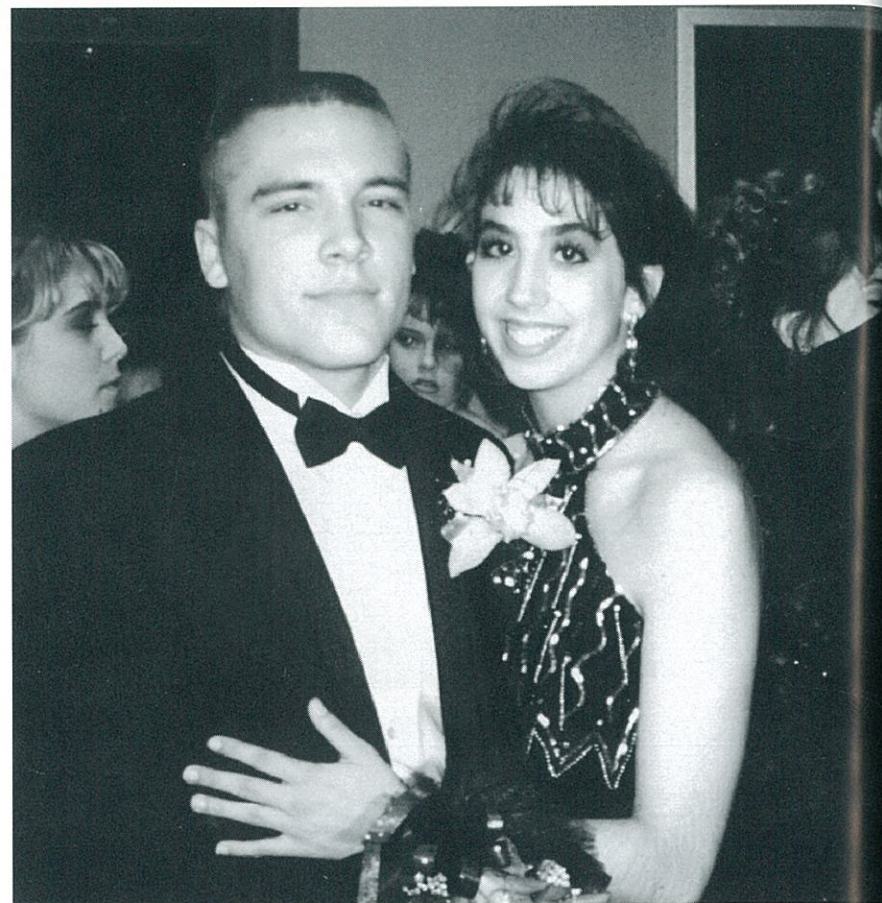

The Junior-Senior Prom and Banquet of 1995 was held in February rather than during May so as not to conflict with the state track meet. This new date helped make the night a success. The students who attended were complimented for being one of the few groups that have stayed until the end of the prom. After the prom, many attended a lock-in sponsored by senior parents at the gym. Prizes were given away every thirty minutes and food was served throughout the night.

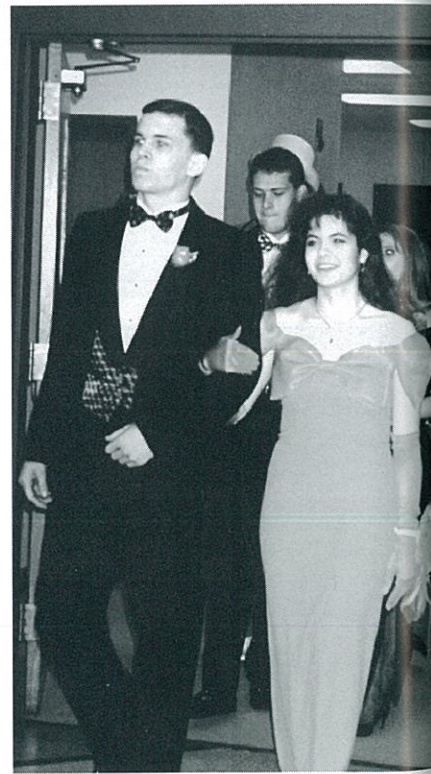

Junior class president, Jodi Carlton, sat at the head table and welcomed the seniors to the banquet.

Sharon Bryant grins as she is escorted by the movie, *Dumb and Dumber*, look-alike, Wayne Gunn.
