Brian Lovell's goatee needed just a bit of shading for perfect stage appearance.

The Beast, played by Jacob Blair, and Beauty, played by Sharon Bryant, are made-up and ready to go on stage.

Mr. Don Simpson donated his time to help with the make-up for the one-act play. He helped age junior David Bickle for the role of Beauty's father.

Denise McGuire helps Jhenisa Barnett apply her make-up before showtime.
