

# Communication Gets Us There on Time

Schedules of students and teachers get hectic and it takes effective communication to keep things running smoothly. Morning announcements, memos, and posters and signs are timely reminders telling us who, what, when, and where.

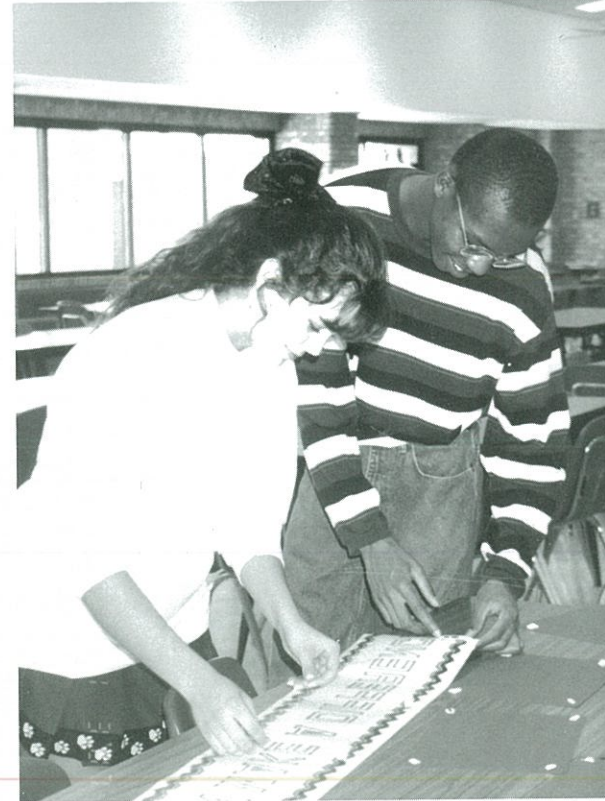

Student council president, Jhenisa Barnett goes over morning announcements before going on the air with, "Good morning Wink Wildcats. Please rise for the pledge."

Senior David Bickle places a sign inviting students to the student council sponsored Valentine's Dance.

Student office aide, senior Andy Hernandez delivers a message to Ms. Chrissie Ethridge.

Junior Tina Wilson puts finishing touches on a message from the sixth grade to the Wildcat football team.

Student Council members Ashley Robertson and Shawn Matthews prepare to hang a sign reminding students that everyone can make a difference.
