

Lady Cats Move Forward

Coach Stacy Garner said the 1995 volleyball season caused her to recall a saying she once heard- 'He who loses money, loses much; he who loses friends, loses more; he who loses faith, loses all.' According to Coach Garner, "The Lady Cats were a team of friends who never lost faith."

For this reason the Lady Cats were extremely successful regardless of what their final record said. Some not close to the team thought 1995 was just a rebuilding year since the team of one senior, three sophomores, and four freshmen was so young. But, the team did not see it that way. They pursued victory, and even when they fell short, they took advantage of every opportunity presented to them with the determination and faith of winners.

Future success is assured and will be a direct reflection of the commitment to, and tradition of, 'keeping the faith' started by this team.

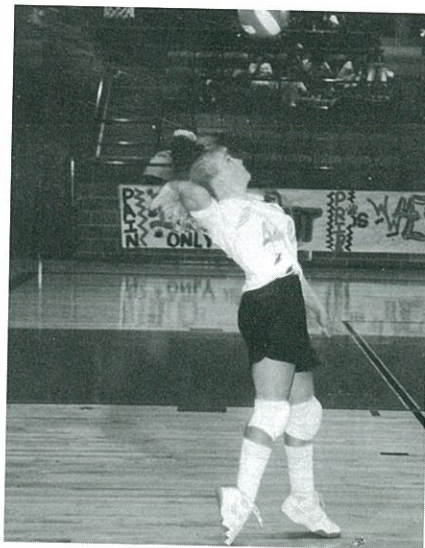

Senior Ashley Robertson shows her 'All-district' for she goes high to send the ball over the net for a point for Lady Cats.

Freshman Casie Slaughter stretches high for a powerful, intimidating serve.

Sophomore Marcie Wilkinson proves that the saying "bump, set, spike" can be effective as she spikes to the other team.
