

# Keeping the Record Straight

After you've looked at the pictures, laughed, cried, and remembered . . . .

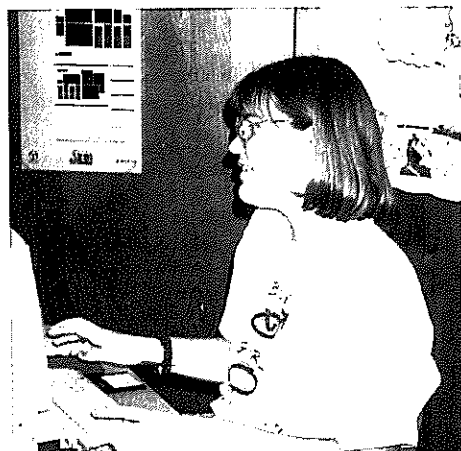

take some time to sit back and read the copy and captions of *In All Directions*. We think you will appreciate the effort the *Wildcat* staff put into keeping the record straight.

**This is a history of the 1995-96 school year.**

The extra help and cooperation of the following is appreciated:

- Coach Stacy Garner
- Coach Paula Lockhart
- Coach Roger Martin
- Coach John Lane
- Karen Criswell
- Shirley Bolf
- Peggye Heard
- and

Wayne Hennington Photography

Kimberly Hawkins works on a computer lay-out, David Bickle and Eric Hawkins attempt to adjust the contrary printer, and Amber Connell writes captions. All in a days work in journalism class.
