

# Homecoming:

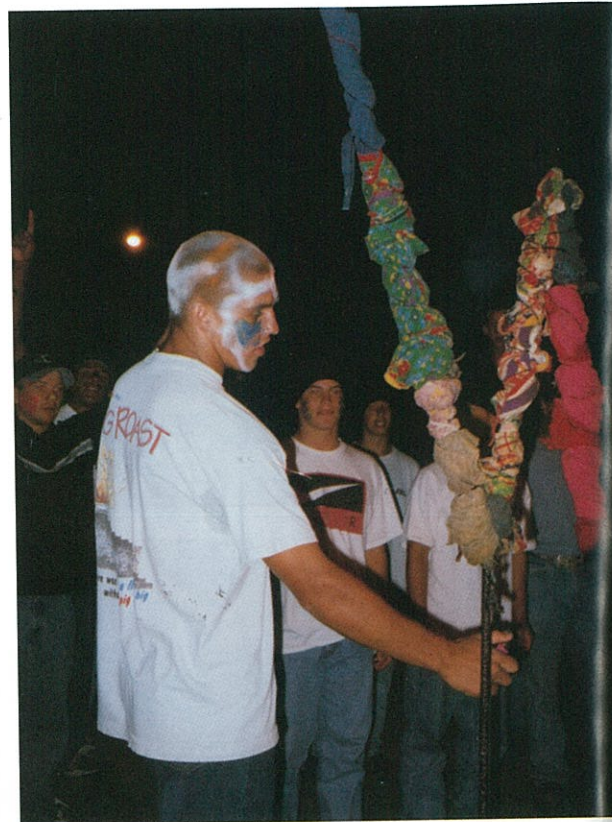

## Students have fun; traditions continue !!

Homecoming brings Wildcats together to celebrate rich traditions. As the week narrows down, the real action begins, and it is all brought together in a night fit for champions. Thursday night pep rally pumps it's crowd up for the lighting of the WW and a bonfire. The enthusiasm continues into Friday with the regular pep rally, the crowning of the Homecoming Queen, and finally a football game against our non-district rivals, the Plains Cowboys.

Hand in hand, senior captains walk out onto the field prior to the Homecoming game.

In his "full spirit" uniform, senior Alan Watts lights the WW.

The 1997 Homecoming Queen, senior Desiree Bickle, receives her crown, as tradition dictates, from the 1996 Homecoming Queen, Suzanne Kelton.

Looking glamorous, the queen and princesses line-up for the array of photographers waiting to snap their picture.

Senior football players, Kenneth Gilbreath, Pat Gray, Alan Watts, Joe Renteria, Brandon Thompson and Jody Soltero, enjoy showing their Homecoming spirit at Friday's Pep Rally.

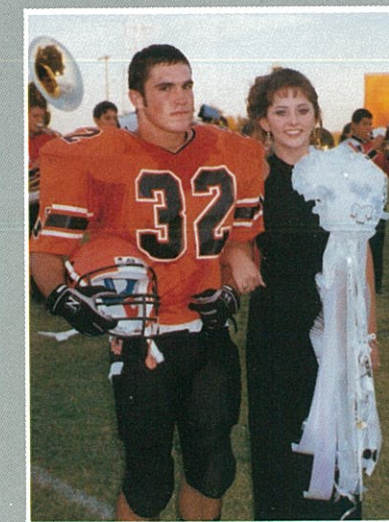

The traditional WW burns brightly while members of the football team wave their hands with pride!
