Balmorhea	15-9, 15-8
Water Valley	15-3, 15-3
	15-6, 8-15, 14-16

Sophomore Shane Jones finished the year with an .82 service percentage.

## Win or Lose, Lady Cats Play with Class

*"Success is not about final scores, numbers of games won, or even of championships won. Instead it is about creating young people that know the importance of dedication, determination, hard work and compassion."*

This, according to Coach Danna Flatt, is her coaching philosophy, and because of this kind of thinking, Coach Flatt and her varsity team had a tremendously successful season.

The team overcame one adversity after another on the way to its second straight play-off season, and in doing so, bonded together not just as teammates, but also as friends. They continued the tradition of Wildcat excellence and were a source of pride for the school, parents and the community.

After last year's all-state setter, Casie Slaughter went down to an injury last spring, junior Geanna Baker began working hard in preparation of filling the open slot. This was no easy task, but she was well on her way to doing so, when an ankle injury caused her to miss several games and slowed her down at the beginning of the season.

This made for a dismal opening, at least in the win column, but it forced other team member to step forward and take on more responsibility.

The added playing time for bench players the eventual return of Baker, and outstanding play by veterans Twila McKee and Jess Anne Fernandes added up to a fine over-all record and another shot at Water Valley, the team that had stopped the Lady Cat's bid for a regional tournament berth a year ago.

Unfortunately, history repeated itself as the girls again fell to Water Valley in the bi-district play-off round, 15-6, 8-15 and 14-16.

This was a bitter, bitter disappointment. However, upon reflection, the team can feel proud of what they overcame and realize, that even though not all goals were attained, they did indeed have ultimate success.
