

One Moment

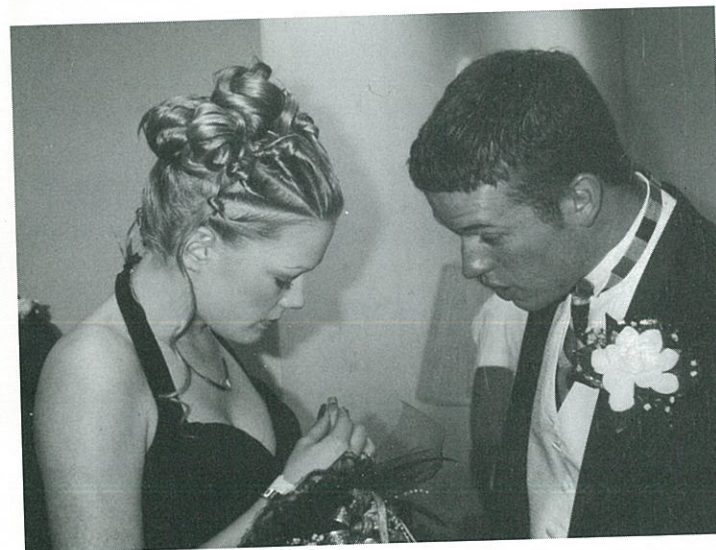

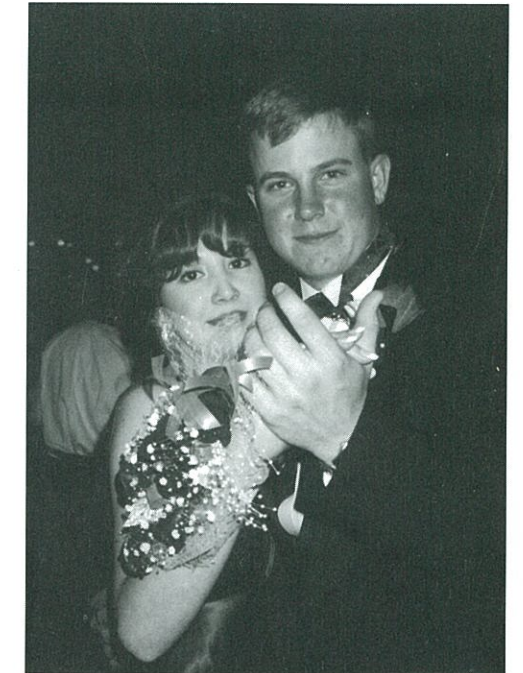

in Time

Junior Erin Wolf and her date Weldon Thompson, look over the picture order forms before they have *One Moment in Time* frozen in a photograph to last a lifetime.

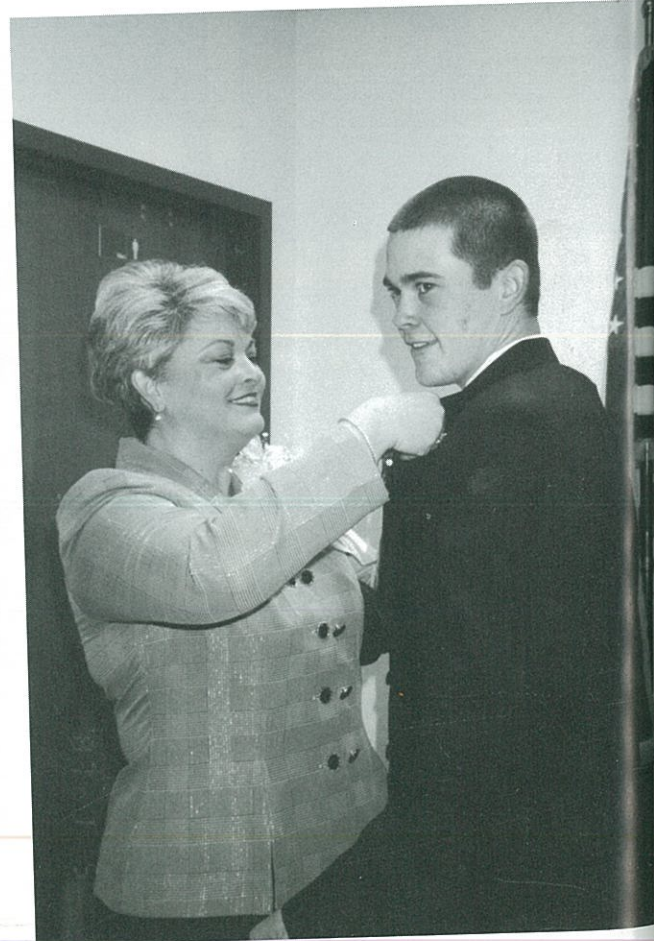

Senior studs, Shawn Matthews, Brandon Thompson, Pat Gray and Alan Watts look handsome as they try to impress the lovely ladies that stand across the room waiting for the Grand March to begin.

The aire of romance that fills the cafeteria complements Kristi Navarrete and Dustin Loftin as they dance the first dance to start an all night party.

Last minute details are taken care of just before the Grand March. Mrs. Charlotte Martin adjusts her son Tim's boutonniere. Senior Aletha Weaver sheds crocodile tears of agony from an accident with her corsage pin, while Senior Class Vice President, Clifton Hall sympathetically looks on.

On this night of magic, Joni Clark and Jared Green look upon each other with admiration in hopes of making her last prom the best.

The senior class's time together grows short by the time of prom. Alan Watts and Suzanne Kelton look forward to the future yet reminisce about the past as they enjoy their last prom together.
