Seventh grader Bear Haring (below) and eighth grader Robby Norred (right) were integral parts of their respective teams.

Seventh grader Justin Jamison made steady progress during his first year of athletics. Here he goes in for a lay-up against Monahans.

The eighth grade team had a balanced attack and focused on teamwork. Cody Garratt uses his strong vertical jump to get an edge over a McCamey defenseman.

Seventh grader O'Ryan White uses speed and good ball handling skills to maneuver around a Monahans defender during a game in the Wink Tournament.

Eighth grader Heath Morton drives through the lane and goes up and over McCamey defenders for a two-point jumper.
