Boys finish season at 14-8

Boys basketball got off to a fast start with the varsity having early success in pre-district games and tournaments. The team brought home the second place trophy from the Grandfalls-Royalty Tournament and took consolation at both Sanderson and Buena Vista.

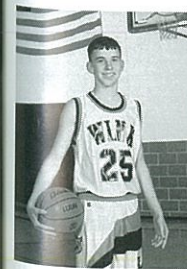

With the onset of district play, the team hit a wall of solid opposition and fell short of their goal of making it to post-season play.

Even though the season ended too soon to please the Wildcats, players came away with added experience and their desire to win left intact.

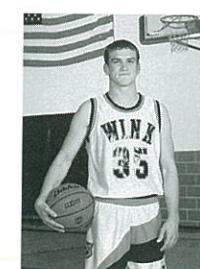

With three returning starters, the team eagerly awaits a chance to live up to their lofty expectations next season.
