Lady Cats successfully defend district championship

As soon as the volleyball net was packed away, the Lady Cats hit the court running straight for another district title. With speed being a prime component of the squad's success, opponents fell by the wayside wondering what had hit them. The Lady Cats finished the season with a 20-5 record going undefeated in district and averaged outscoring their opposition 61-34.

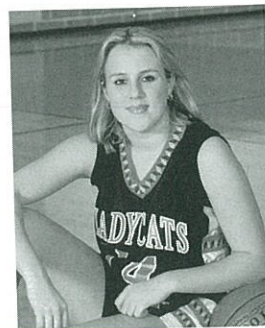

The big roadblock to a *better than ever* season came for the fourth straight year in the form of the Garden City Lady Kats. The bi-district game played on the campus of Odessa College was a marathon that saw the lead swing back and forth and back again. At the end of triple overtime the Wink team found itself once again on the short end of the scoring battle as the Lady Cats fell 48 - 56.
