Lady Cat Attack

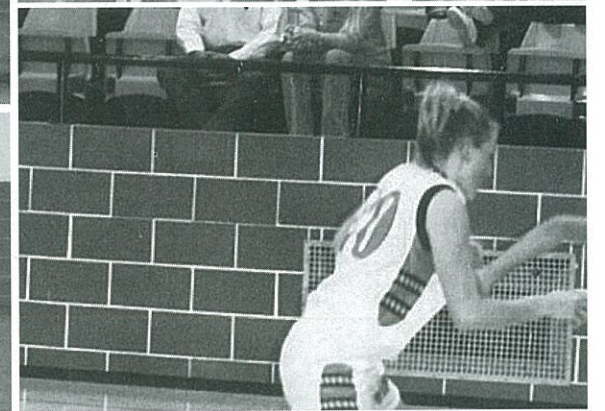

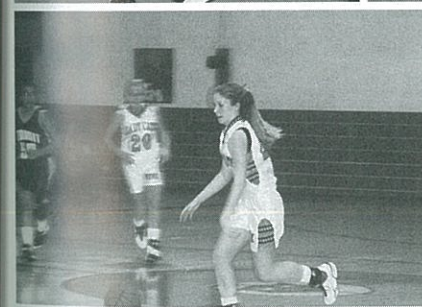

Team finishes season at 25-4

Once again the Lady Cats found abundant success on the basketball court and compiled a 25-4 record. The squad, composed of three seniors, six juniors and two sophomores, brought home a second place trophy from the Klondike tournament and a third place trophy from the prestigious Stanton tournament. When district play rolled around, the team literally crushed each opponent faced. Then came the bi-district game with Iraan. In the first meeting of the year for the two teams, Iraan had an edge and were able to end the Lady Cats' season. Nonetheless, many positives came from the season, and the team looks forward to rematches with the Bravettes who become district foes next year.
