# Team ranks third at State VICA Meet

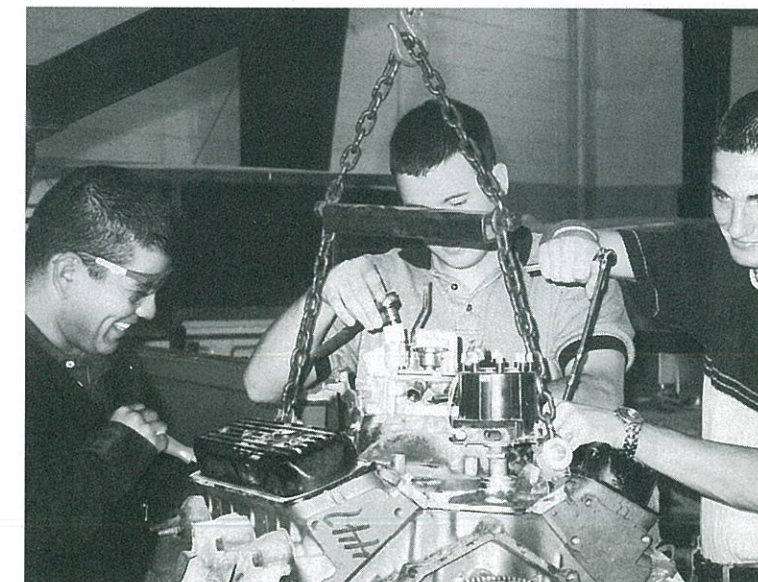

Mr. John McKay and members of VICA including Jacob Harrison, Timothy Milligan, Randell Hill and Colby Taylor proudly display the engines they rebuilt for district competition.

The short block Chevy engine rebuilt by Jacob Harrison and Timothy Milligan advanced to the state level and placed third at the competition held in Fort Worth.

Senior Timothy Milligan works on an engine during his first period auto tech class.

Seniors Michael Renteria, Timothy Milligan and Brandon Cotton have no trouble staying busy during auto tech class.
