Juniors host a night of fantasy for the Class of 2002

Senior Chad Clark and his date, junior Jodi Graham, anxiously wait for the lights to dim and the music to play signaling the beginning of the Grand March.

Sophomore Ashley Dodd and senior Heath Morton seem to be elegantly prepared for a night of magic.

Freshman Amanda Golden and senior David Gilbreath are ready for a night of dancing.

Gizmo Ruiz, Breelee Drake, Nikki Allgood and Kendra Casteel take time for a picture as they line up along the walkway to the junior high gym just prior to the Grand March.

Seniors Colby Taylor, Stephanie Cross, Britney Brooks, and Britney's date, Dane Preston, pause for a photo before heading to the dance floor.

Happiness glows from the faces of Keecha Carroll and Ashlee Canon on this special night for the senior friends.
