a survey taken the week of
January 21, 2002.

Wildcat Trivia

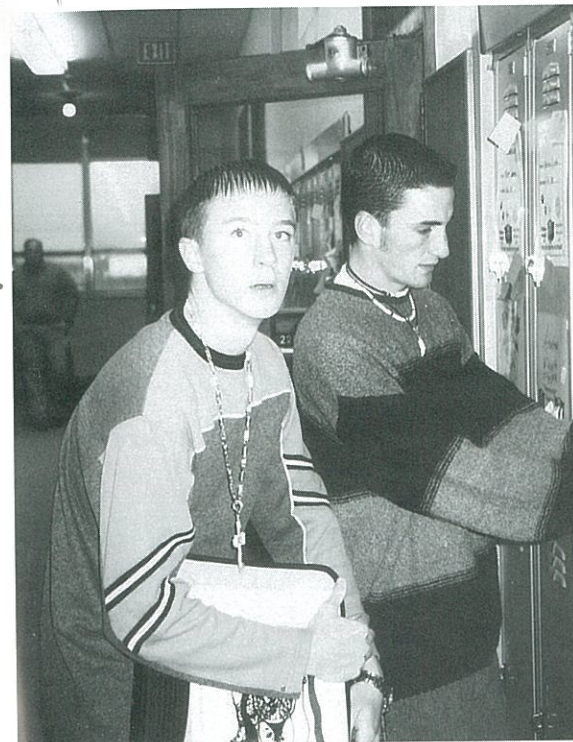

Gil Shackelford, Dessie York, Jennifer Garcia, Lacy Shackelford and Misty Golden hurry down a flight of the 128 steps in the high school building on their way to athletics.

In her role as an office aide, senior Donna Jones often uses one of the 136 computers found on campus along with one of the fifty-five printers.

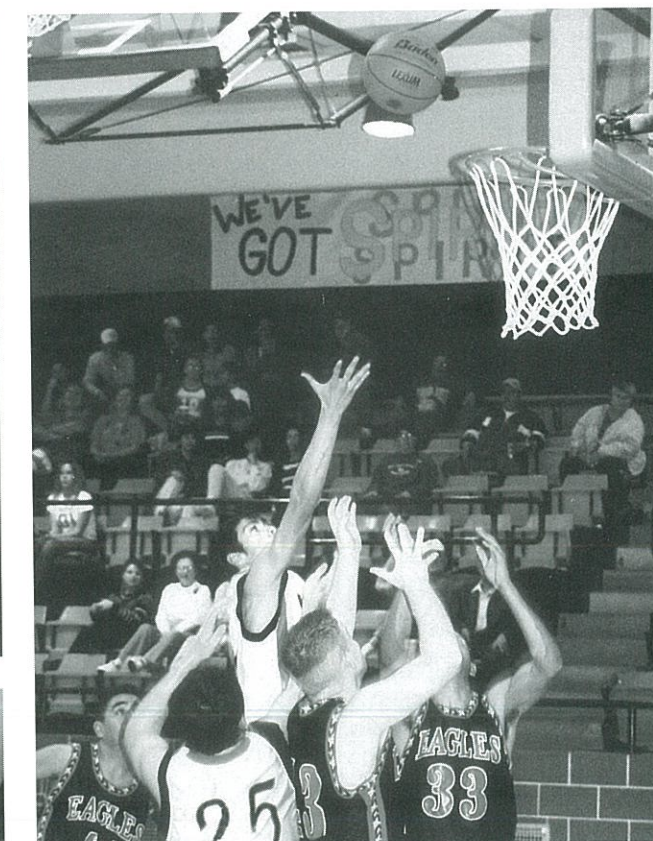

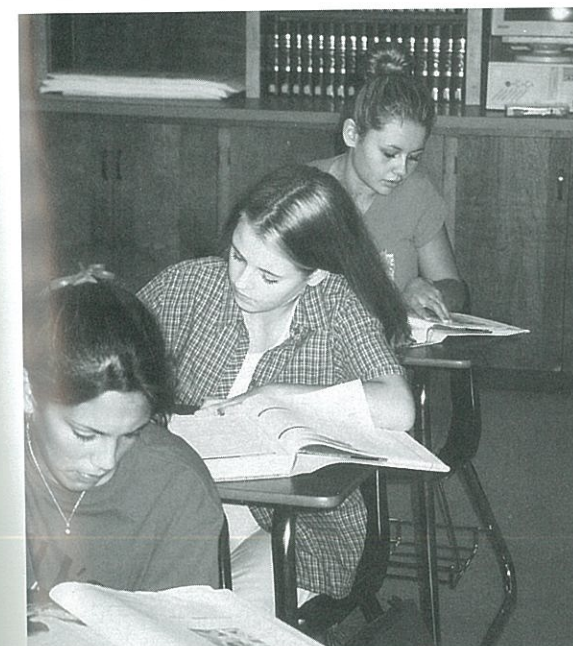

Renee Compton and Jessica Smith research in the library which contains 9,181 books.

Freshman Chris Payne and senior Brandon Cotton retrieve their books from lockers before first period. There are 632 lockers in the high school building.

Among students returning surveys, forty-five said they drive a vehicle to school, and on average students spend \$17.00 per week on gasoline. However, senior Tim Milligan brought his car to school on a trailer after participating in a demolition derby.

O'Ryan White watches as his teammate Gizmo Ruiz makes two of the 3,137 varsity points scored by all teams in the first semester of this school year.

While working in health class, Kristen Jacques, April Rains and Tamara Kemp sit at three of the 275 desks in Wink High School.

There are 990 student fingers at WHS. Shiny new rings adorn the hands of many juniors on class ring delivery day.
