Internal Combustion

No team began its year with more expectations of success than the Lady Cat volleyball team. The girls, led by nine seniors, came together as a well oiled machine and, success they found. The team ended its season with an outstanding record of 38-8 and along the way won the Wink Invitational Tournament, the 1A Showdown Tournament at Bronte, and reached the 'Gold Division' finals in the prestigious San Angelo Tournament.

The team raged through opposition like a wildfire all the way to the championship game of the Region I Tournament. There they came up against Windthorst, the defending state champion. The Lady Cats fought valiantly and gave the experienced Trojanettes the fight of their season. The teams battled back and forth for what seemed like an eternity to fans, but in the end, the Lady Cats dropped the match 15-12; 14-16; 13-15.

The Lady Cats left Lubbock with broken hearts. However, the resilient team rebounded and took heart in the fact that Windthorst easily marched through its opponents at state. Anyone familiar with class 1A volleyball knew, without a doubt, that the *true* state championship match had been played in Lubbock the week before at the 1A Regional Tournament.
