V.I.C.A. members advance to State

Senior Raudel Villapando and junior Colby Worden work during auto tech class sanding a truck to prepare it for a paint job.

Junior Brandon Wolfe and sophomore Dustin Erskine received first place honors at district for their brake rotors and calipers project and advanced to state competition where they earned blue ribbons.

V.I.C.A. students taking projects to district competition were Brandon Wolfe, Dustin Erskine, Colby Worden, Laura Carroll and Sara Henderson.

Juniors Laura Carroll and Sara Henderson work on finishing up their V.I.C.A. project by putting the brakes on their rear differential during auto tech class.
