

## Closing Chapters

Mrs. Shirley Bolf sits at her desks with her granddaughters, seniors Lacy Morton and Jodi and Lindsay Graham.

To close the 2003 Lions Club Awards Banquet, Mr. Maxie Watts presents the Greatest Wildcat Award to this year's recipient, Kelli Benham.

Two longtime members of the WLISD family are bringing their Wildcat careers to a close. The 2002-2003 school year ends the tenures of Mrs. Shirley Bolf and Mr. Maxie Watts.

Mrs. Bolf, has been elementary secretary for the past thirty-two years. This span has included the administration of four elementary principals, Jack Dorman, Maxie Watts, Daniel R. Carrillo and John Benham. Mrs. Bolf plans to enjoy her retirement by spending time with her family and traveling. She hopes a trip to Yankee Stadium might even be in her future.

Mr. Watts will officially end his twenty-seven years at W.L.I.S.D. sometime next fall after a new superintendent has been named. During his years at Wink, Mr. Watts has worn many hats, including those of teacher (math and health), coach (UIL math events and tennis), principal (both elementary and high school), and finally that of superintendent. According to Mr. Watts, the most significant change to come about during his term as superintendent has been the steady decline of tax values for the district and the financial hardship brought about by the so-called Robin Hood system of state school financing. Nonetheless, Wink has managed to stay among the elite within IA school districts.

Mr. Watts plans to enjoy his new home at Lake Buchanan, his granddaughter who turns one-year-old this year, and will probably work some too. He forsees a trip to Hawaii also.
