

Spirit builds during Homecoming week thanks in great part to the cheerleader sponsored *spirit days*. Pictured getting into the swing of things are: (clockwise from top) Gizmo Ruiz and Garrett Wolf (switch day), Zane Croker and Lara Morton (orange crush day), cheerleaders Kira Willhelm, Jessica Youngblood and Robyn Thomas with their pep rally poster and Jennifer Adams (orange crush day).

# HOMECOMING

*it's Kristin's night*

Senior Kristin Jacquez spent Homecoming 2003 in magical fashion. She began the day by receiving roses at school and later was escorted by Colby Worden as she was introduced to the football game crowd along with other queen nominees Ashley Dodd and Robyn Thomas. Then, after being crowned queen, Kristin celebrated with her brother Juan and Willy the Wildcat.
