With a dwindling population plaguing West Texas, Wink-Loving I.S.D. is becoming one of the smaller 1A(11-man) schools in the state.

However, as student numbers decrease, the size of heart and determination increases. Throughout the 2003-04 school year, students dedicated themselves to keeping the excellence of WHS at a superlative level. Enrollment may be down, but Wildcat pride is as **BIG** as ever.

Senior Gil Shackelford displays an *Odessa American* sports page which features him as the All-Permain Basin Football Team's Defensive MVP (all-classifications). Gil also received recognition from the *San Angelo Standard-Times*.

Senior Jessica Garcia puts on a happy face as she donates blood for a student council sponsored blood drive. Students, teachers and citizens of the community contributed forty-one pints of blood during the one day drive.

Senior running back Terry Rich celebrates Wink's defeat of the McCamey Badgers with former coach Lyn Shackelford. The victory came in the final game of the regular season and clinched the district championship for the Wildcats.

Senior Dallas Thomas, sporting her trademark cornrows, boards the bus for the volleyball team's trip to Lubbock and the regional tournament. Dallas closed out her volleyball career as a four year varsity player by being named District MVP.
