District Champs!

Hard work, determination pays off for *Wreck Shop*

Coming off an 8-2 non-playoff season, the Wildcat football team, under the guidance of their new head coach Max McGehee, were determined to live up to their potential and regain the glory of past Wildcat teams. This would not be an easy task considering the strength of District 7A. With a core of senior leaders, the team completed a successful pre-district season and took on the fitting nickname of *The Wreck Shop*. Then came a heartstopping, 14-19 loss to Iraan in the opening game of district. The team bounced back and won its next two games thus setting up a showdown with the McCamey Badgers in the last game of the regular season. Since the Badgers had defeated Iraan by six points, the Wildcats were able to control their own destiny. With the stadium packed and excitement at a fever pitch, the Wildcats used every ounce of skill, strength and heart they could muster and overcame McCamey by seven points. This margin of victory broke a three-way tie and earned Wink its first district championship since 1998 - the year before Iraan dropped to IA classification.

The Wildcats huddle to amplify team unity just before an opening kickoff.
