Girls team qualifies for regional

Medalist contenders Whitney Abila and Lara Morton polish their chipping skills during an afternoon practice session at Winkler County Golf Course.

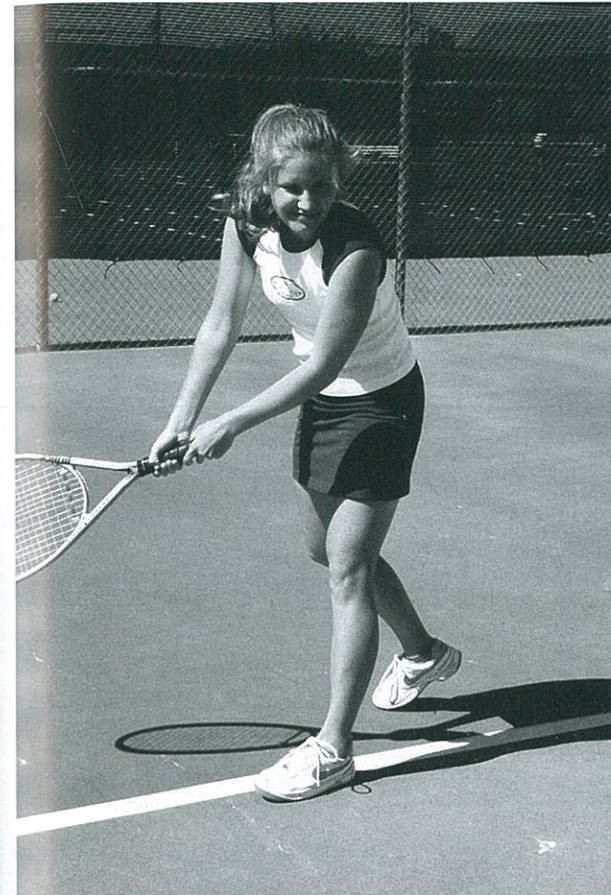

Jennifer Garcia, Jessica Garcia and Ashley Dodd spend time on the practice range at Winkler County Golf Course in preparation for the district meet. Their hard work helped earn the team a second place finish at district and a trip to the Region I Golf Tournament. Jennifer had Wink's low district score - a 192 two day total, which placed her third individually.

Let the 'Big Dog' Eat!

Backhand Specialist

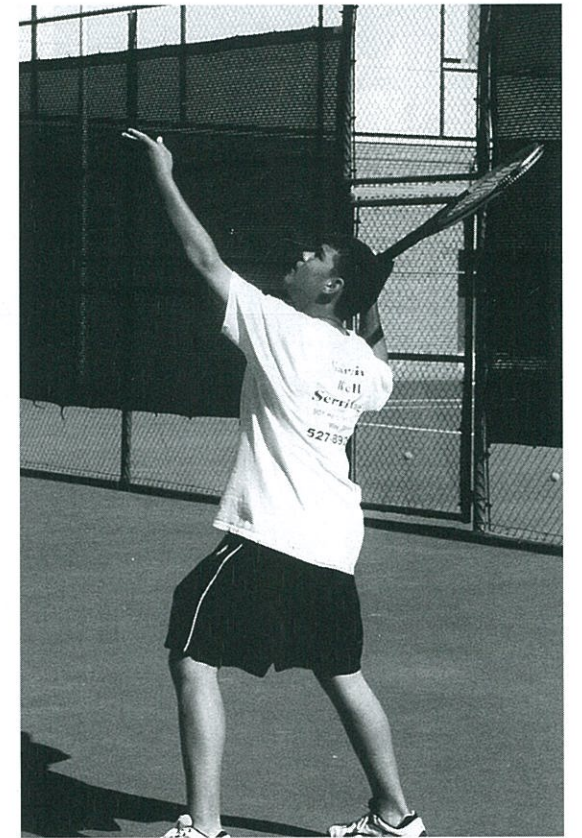

Freshman Kendra Kerley let her backhand do the talking all the way to the Region 1 IA tournament in Levelland. Kendra took on and overcame each opponent at the district meet to take championship honors. Going into the meet at Levelland unseeded, she won her initial match only to come face-to-face with the eventual regional champ. The experience and poise Kendra gained on the court throughout the season makes her a potent force going into next year. Watch out, Region I!
