

SHATTERED DREAMS

STUDENT COUNCIL TAKES STAND AGAINST DRIVING DRUNK

D.A.S.H. committee, headed by Nelson Simpson, takes on tremendous project

In an effort to save lives, and with the help of many volunteers including the fire department, law enforcement personnel, local EMT's, county officials and parents, the student council's enactment of a fatal car crash involving a drunken driver drove home the chilling dangers of driving drunk. The project took countless hours to plan, script and film. The students filmed on location at the Winkler County Court House, county jail and Kermit cemetery as well as on campus and at the scene of the mock collision. Judge Bonnie Leck and the Commissioners Court proclaimed their support of the *Shattered Dreams* project.
