## New coach, new faces, same results

### Team comes within one game of state tourney

Superiority in volleyball continued its tradition through the '04-05 season even though the varsity team consisted of several new players and was directed by a new coach. Tisha Miller, in her first year of coaching, guided her team all the way to the Region I finals. Along the way, the young squad gained experience while individual participation gave way to a total team effort. The squad found maturity game-by-game, and by the time district rolled around, the Lady Cats were ready to mow down opponents. The sweep of victories continued until the team came face-to-face with its old nemesis, Windthorst, the eventual state champion.

The team took some consolation from this defeat by knowing they had fallen to the best in Windthorst. Returning players look forward to what will likely be another showdown with this rival at the 2005 Regional Tournament. The Lady Cats will be ready!

**Kayla Ward**  
First Team. All-district

**Alexys Dodd**  
Second Team All-district

**Lara Morton**
