Team falls short of ultimate goal

Individuals reap abundant awards

The 2005 volleyball team can be defined in one word: *determination*. The team, made up primarily of seniors, knew the task at hand, and began the year on a quest to reach their ultimate goal - the State Tournament. The road to this illusive destination would be a difficult path at best, since the schedule of opponents consisted of many state ranked teams in higher classifications. Nonetheless, the team posted a winning record going into district. They swept through district with ease, and headed for the Regional Tournament to face the Petrolia Pirates. Perhaps the idea of playing the reigning State Champion Windthors Trojanettes weighed a little too heavily in the minds of the Lady Cats, causing them to fall to Petrolia. With their season coming to an abrupt halt the girls had time to reflect on their season. They could eventually conclude that they had grown closer as a team and had become stronger as individuals because of their effort during the 2005 season.

Randi Shackelford
District MVP

Cayla Slaughter
Hon. men. All District

Kira Willhelm
First Team All District
