

Junior Dominick Chaves prepares a hot and easy convenience meal in Mrs. Vonda Warren's cooking class.

Sophomore Lyndsey Wolf seems ready for a challenging forty-five minutes in Ms. Claudia Awbrey's Spanish II class.

Seniors Rosana Polanco and Raven Watson conduct research in the upstairs high school computer lab, while fellow seniors Clay Fernandes and Chris Lujan work together to complete a trailer in Coach Danny Thomas's welding class.

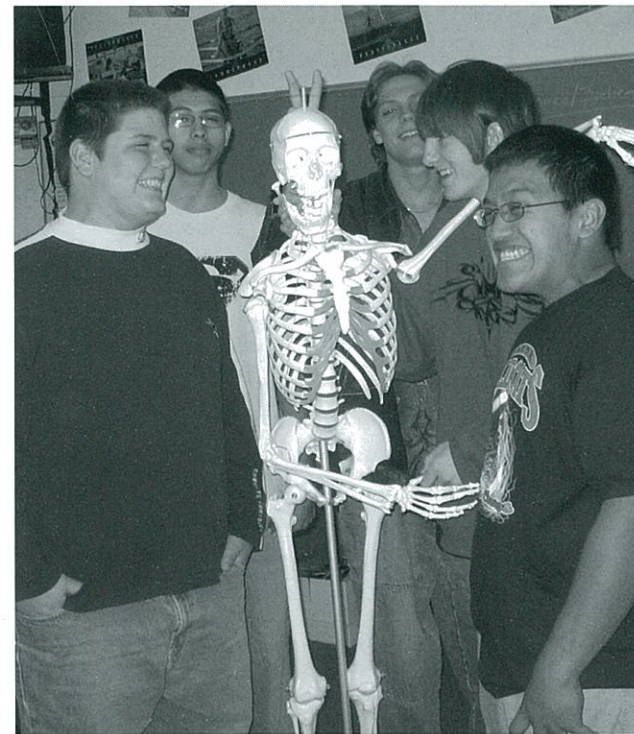

Today is a great day to . . .
Learn Something NEW

*Academics Academics Academics Academics
 Academics Academics Academics Academics
 Academics Academics Academics Academics*

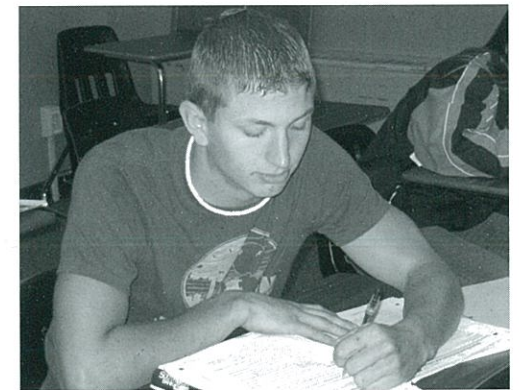

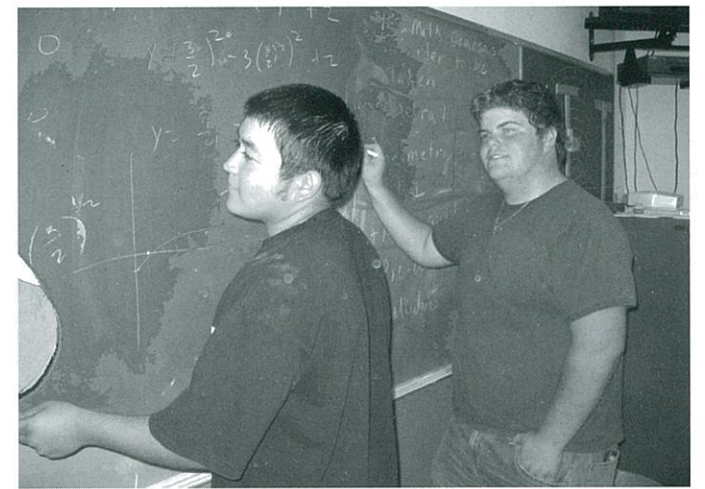

*Students find an array of classes,
 whether required or elective,
 to occupy their day and fill their minds.*

*I Think I Can
 I KNOW I Can*

Coach Wendy Smith's health class students Michael Ferrante, Joel Hernandez, Shane Robertson, Anthony Bishop and Adrian Galindo pal around with a new friend.

During Mr. Joe Mohler's Algebra II class junior Andy Galindo and sophomore Larry Burrows make sure they understand the day's assignment by getting in some practice at the board.

Senior Ryan Raska concentrates on finishing up an assignment before the bell rings.

Senior Dewayne Kennedy takes full advantage of his afternoon auto tech period by vacuuming out some vehicles to help raise money for VICA projects.
