A Mighty Force

Forget that the 2006 volleyball team consisted of players with little experience at the varsity level, especially at key positions, or that the season didn't get off to a rollicking start. For this group of girls never focused on limitations. Instead they worked diligently to overcome weaknesses and joined forces to become a fine-tuned unit. This allowed the Lady Cats to once again rise within a match of the state tournament. Under Coach Tisha Miller's guidance, the team swept through district, avenged last year's loss to Petrolia, and earned a rematch with the Windthorst Trojanettes at the Regional Tournament. Again, the Lady Cats fell to this daunting team. Looking back on the experience, the Lady Cats can find an abundance of pride in the way they came together as a force to be reckoned with - a force that represented Wink High School in a superlative fashion.

Kendra Kerley
1st Team All District
Academic All State

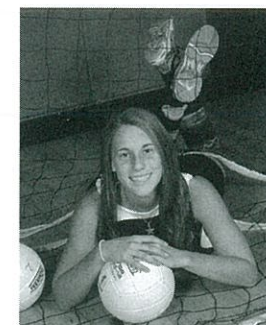

Baylie McGuire
1st Team All District

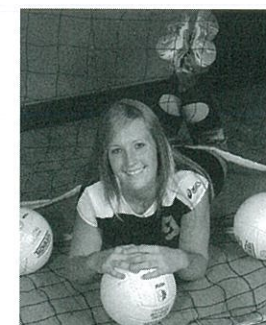

Jessica Quiroz
1st Team All District

Cassye Snyder
Honorable Mention

Kristen Boggess
