## End of semester proves fun for all

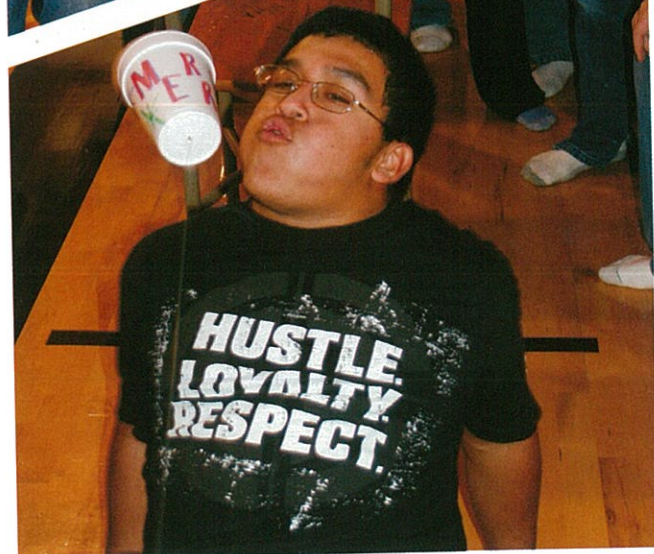

The end of a semester brings stress for students and teachers alike. To help alleviate some post-exam blues, the student council conducted the *Second Annual Winter Olympics* for students to enjoy. The event took place just before the bell signaling Christmas break and featured games of 'skill and daring'. Junior high and high school students combined into exuberant teams striving for the GOLD!

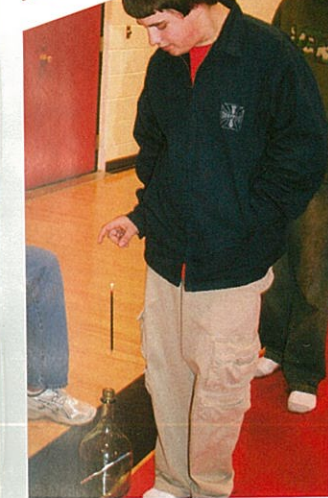

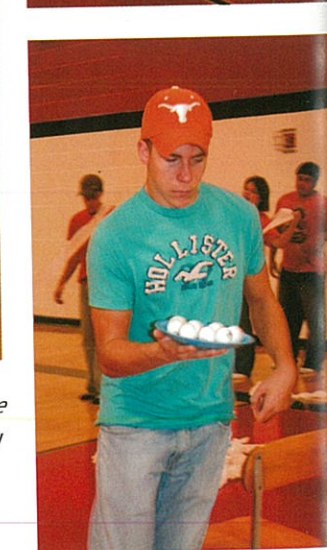

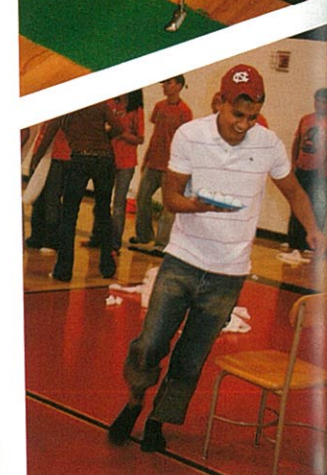

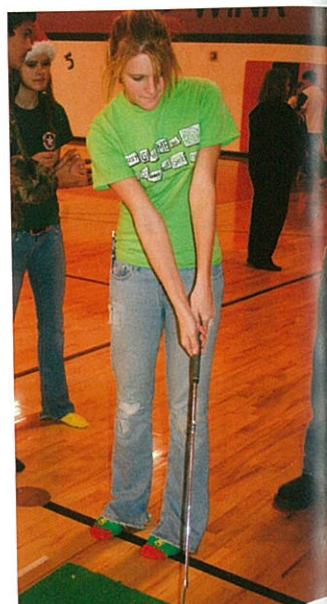

The Brown Team gets ready to rumble in the 2006 Winter Games. Green Team member Taryn Curtis concentrates on her swing at the *Putt-Putt Golf* station.

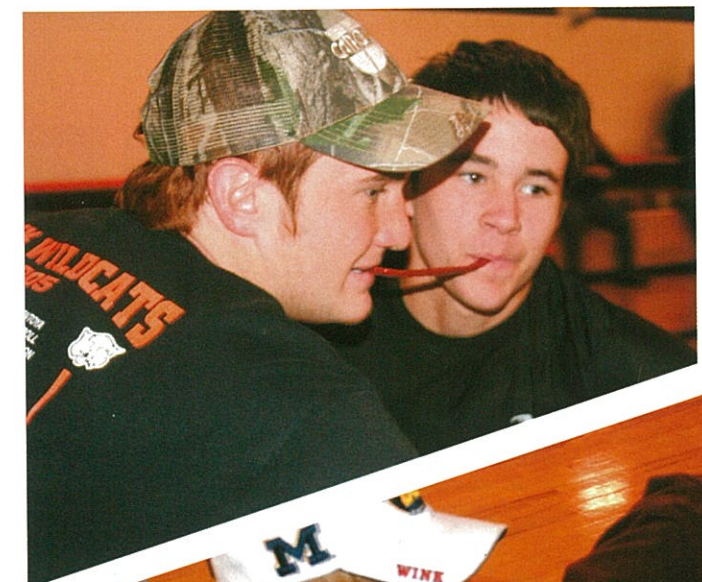

Joe Harder snaps a shot of Shelby Richardson, his Orange teammate.

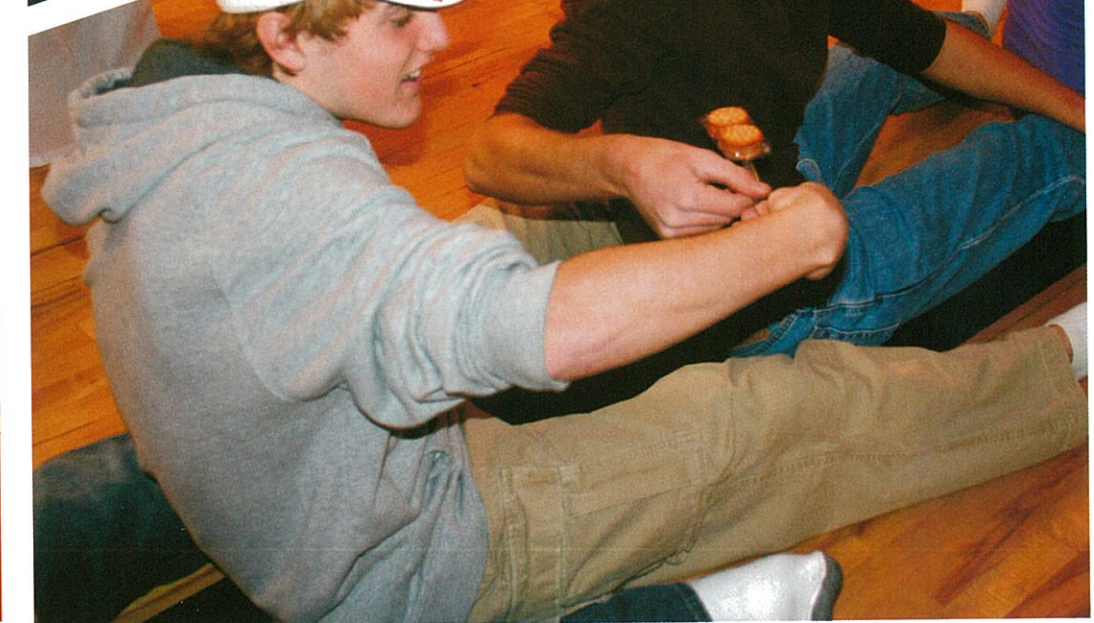

Black Team member Adrian Galindo participates in the *Move the Cup Race*, while White Team members, Ernesto Mendoza and Cody Keen, run in the *Ping-Pong Relay*.

Kendra Kerley places a gold medal around the neck of Green Team member Haylee Fuqua. Below, Travis Thomas and Skylar Harbin, get moving in the *Twizzler Train Race*.

Teammates Courtney White and Vanessa Walker put on their game faces.

Blue Team members Kari Wilkinson, Clara Chiu, Trinity Walker and Daniela Rivas wait for the games to begin.

Brown Team member John McKay takes part in the *Pencil Drop*.

Purple Team members race against the clock in the *Peanut Butter Cracker Pass*.

The Green Team racks up points in the *Basket Pass*.
