## It's Up and In

As their season progressed the Lady Cats unified and took basketball to a new level. The team came through a difficult pre-district schedule ready to attack. Even though the girls fell to McCamey twice and lost once to Marfa, the rest of its district slate was clean, and the team took the outright championship. Then, for the first time since 2000, the Lady Cats won a bi-district title by defeating the Lady Buffs of Forsan. Their magic ran out against New Deal in the area game. However, the team consisting of both experienced and younger players, ended the season with a feeling of accomplishment over a job well done.
