

Lady Cats take district title going 8-0

2007 Varsity Basketball: top - Coach Craig Summers, Celesta Turnbo, Kristen Boggess, Bristen Creech, Taryn Curtis, Daniella Lara, and manager Skyla Huckaby: front - Trinity Walker, Keshia Sellers, Jasmine Clayton, Lyndi Shackelford, Jasmine Solis and manager Brianna Kemp

Unified effort pays dividend

Even with a 'late' start after volleyball playoffs, the Lady Cats took to the basketball court with a vengeance and posted a superior record including a flawless record in district play. Along the way, the team won the Grady and Wink tournaments. This impressive season did not come about because of luck. The girls put forth utmost effort during every outing. They gelled as a team with each player unselfishly contributing to the overall effort. Only a gifted, more experienced team from New Deal could put a halt to this fine season. Coach Craig Summers earned district coach-of-the-year honors and the players piled-up a host of awards as well. Since the team loses only two seniors, Bristen Creech and Kristen Boggess, the future looks bright for Lady Cat basketball.
