What makes your class famous?

Hilarious and dramatic people,
lots of short people, being
somewhat smart.
- Alysana Pena

New rules have been
created because of us.
- Derek Jenkins

Doing
something
you're not
supposed to and
getting caught.
- Damian Valdez

My class is famous for a lot of
things, some of which I don't need
to brag about. But mostly our
athletic ability.
- Blane Wolf

Our class is probably most
famous for the drama that
always seems to be going
down.
- Justin Bennett

The biggest class with the worst
reputation. The most dramatic class
EVER! The Doomsday class.
- Shelby Armendariz

Livin' large in Wink.
Lots of drama.
- Will Putnam
