All The Way To State

Junior Shea Abbott and Freshman Seth Abbott are more than just doubles partners. They are brothers, part of the same team, working toward the same goal: a state tennis gold medal. The rise of the Abbotts began at the District Meet, held in Wink. They cut a wide path through the tournament, defeating their opponents handily. The next stop on the trip to State was Regional play in Levelland. Once again, Shea & Seth dominated the meet, gaining themselves a trip to Austin. In the first round, the team came face-to-face with the reigning state champions from Menard and, after a valiant fight, fell 4-6, 6-1, 6-1.
