

PICTURE THIS!

The 2010 Journalism classes worked together to create a book of everlasting memories! During this process we all learned that a picture really is worth a thousand words and deadlines are deadlines, no matter what. One day, when you're old, you can look back on this year at WHS and think, "Hey! I remember that!" or "Wow, I was such a nerd!" We all hope you enjoy this year's edition of the WHS yearbook because, believe us, it's not easy making a yearbook, especially when we're in the spotlight!
