

Yearbook Staff

This year's yearbook class was all about change. We changed programs mid-year, changed classmates, changed the way we take sports pictures, learned new tricks, and, for the first time, had an Editor. Through it all, we supported each other, kept Fletch off of the ledge, and worked hard to document this year for you.

Enjoy!

Kayla-There's no way this year's book could have been completed without the many, many hours of work you put in. You were always there with a smile and an "it'll be ok" when I needed you most. Thank you for stepping up and being such an amazing leader. Couldn't have asked for a better Editor! Love ya lots! ~ Fletch
