Jeremy Glass

One very special guy I know has been looking forward to senior graduation 2013 for a super long time! Plans were made, hopes were high, and dreams were built...and we all know that has not changed. One thing has changed though...you. Jeremy, you have changed into this exceptional young man despite the odds that have fallen upon you. Everyone knows how proud your dad is now. Here's something to top that...I know how you have exceeded his expectations and your own.

I love you kiddo, your family loves you, and your father will always love you! As you fill the pages of your future, just remember that you are family to us and the door is always open. Be sure to always come home!

Love always & forever,
Sonja & Cesar

Aaron Halterman

Son-
Stand tall and proud; remember your roots.
Always be content to be you. Go out on a limb
and enjoy the view.
Also, always remember you are braver than
you believe, stronger than you seem, and
smarter than you think!

With proud hearts, we love you-
Momma, Dad, Tori & Chelle

Mackenzie Hotze

You are a true blessing! We have had the honor of having you in our lives. We are so proud of the person you have become. You are such a strong, caring, determined, and beautiful young woman. We love to see the gleam you get in your eye when you have a goal you are determined to meet, and sharing in the triumph when you succeed. You will go far in life wherever your goals take you.

We love you!
