Jordan Lee:

There are no words to describe how proud we are of you. There is no doubt in our mind that you will go out in the world and be great. Remember:

"Have I not commanded you? Be strong and courageous. DO NOT be terrified, do not be discouraged for the LORD your GOD will be with you wherever you go." Joshua 1:9
We love you more than you will ever know!

Dad, Mel, Jayce, Lexie, Zach & Myla

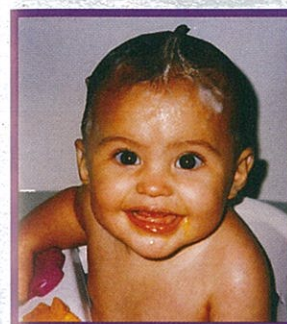

Tawny Underwood

You are loved for the little girl you were, the special young woman you are now, and the precious daughter you will always be.

As a daughter, as a young woman, as a friend, you give us so many reasons to be proud. Thank you Tawny Lena Monkey for blessing us!

Love,
Mom, Cody, Dad, Mimi, Grumpy & Heston
(I promise, Heston will miss you!)

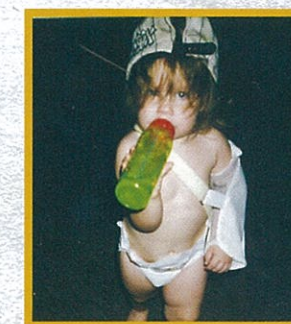

Bailey Wall

Sister Bug-

Always pray and never doubt your faith! Always be independent but never be afraid to share yourself! Always learn from your mistakes but never dwell on them! Always remember that we love you and never forget...no one but God loves you more!

Proverbs 3:5

JORDAN SONNIER

"There is more to a boy than what his mother sees. There is more to a boy than what his father dreams. Inside every boy lies a heart that beats. And sometimes it screams, refusing to take defeat. And sometimes his father's dreams aren't big enough, and sometimes his mother's vision isn't long enough. And sometimes the boy has to dream his own dreams and break through the clouds with his own sunbeams." - Ben Behunin

We love you so much and are so proud of you and the young man you have grown into. I know I will only continue to be proud of the man you will be! Break those clouds and take on the world!

Love you,
Mom, Waylon, Jayce & Granny B

JJ WHITE

Mother & Daughter

It's a special bond that spans the years. Through laughter, worry, smiles and tears. A sense of trust that can't be broken, a depth of love sometimes unspoken. A lifelong friendship built on sharing, hugs, and kisses, warmth and caring. Mother and daughter their hearts as one. A link that can never be undone.
