Son, I closed my eyes for a moment and suddenly a man stood where a boy used to be. I may not carry you now in my arms, but I will always carry you in my heart. You have given me so many reasons to be proud of the man you have become. The proudest moment for me is telling others that you are my son.

We love you now and forever!

Jeremy, you have grown and matured very much. I am so proud of you.

The day you were born, you touched my soul.
You were the missing link, that made my life whole.
Those beautiful blue eyes, stare at me in awe.
Gazing at the woman Who just became your mom.
As days turned to months, and months turned to years.
I watched you grow, Facing life's challenges and fighting your fears.
Now that you're grown, you take that next step.
Those years gone by, in my heart they're kept.
If you get lost along your way, not sure what to do or what to say.
Know that I'm present in spirit and soul with open arms and a hand for you always to hold.

It is impossible to explain how PROUD we are of the beautiful young lady you have become. You are such a wonderful role model for young and old. You have taught us all that we do not know what life holds, but if we just have faith in God...He will get us through it.

God gave me a gift, "You," to love and cherish. To guide and help you prepare for your future. Now my gift has grown to become a very smart, beautiful and wonderful young woman who I am very proud of and have the privilege to call my daughter. I believe in you Tiff; just believe in yourself. That is the key to success. Have fun and live life to the fullest.

I will always be here for you and remember: no matter how old you are, you will always be my baby girl.
Love You,
