My baby girl, can't believe this time has come. I've watched you change and grow with time, wish I could just pause these moments and hold you for all time. But I know God has a perfect plan for you, but I have no doubt you will do just fine. I'm so proud of you and I'm grateful you're MY baby girl.

Love,

Mom, Dad, Fabian, Saul, & Andres

For I know the plans I have for you, declares the Lord, plans to prosper you and not harm you, plans to give you hope and a future.

Alexa,

My love...My very first true love. Words could never explain the joy and love you have brought to my life. Watching you grow from a curious, silly child to a beautiful, outstanding young lady has been an utmost joy. I'm very proud of you and your accomplishments, and wish for great things to come along for your journey in your next step in life. We love you more than words can say.

XOXO,

Mom, Chad, Cristian, & Hannah

Whenever one door closes I hope one more opens. Promise me that you'll give faith a fighting chance and when you get the choice to sit it out or dance...

I hope you dance

I sometimes wish you were still small. Not yet so big and strong and tall. For when I think of yesterday, I close my eyes and see you play. I often miss that little boy who pestered me to buy a toy. We watch our children change and grow, as seasons come and go. But our God has a plan, to shape our boy into a man. I'm proud of you, for all the thoughtful things you do. I'll love you till my days are done. I'm so grateful you're my son.

Love,

Dad & Mom
